

***When is the last time that have had your windows washed? \*Guaranteed crystal clear windows with exterior and interior clean or your money back.***

**Disclaimers:**

**\* I was made aware of the possible occurrence of certain conditions that are not covered by the money back guarantee that Wayne R. Butler Enterprises window wash department offers such as:**

**1. Failed windows caused by thermal pane leakage.**

A contamination in between the panes of a thermo window leaving no access for a window washer service.

**2. Hard water and mineral deposits**

An element infused glass or other surfaces that require a different echelon of service.

**3. Previous abrasions** – scratches or other abrasions left on windows from previous encounters.

**4. Paint overlap and over spray** – unless included as part of the window service estimate/bid.

**5. Excessive tree sap contamination** – unless included as part of the window service estimate/bid..

**6. Window glass anomaly's/manufacturer defects.**

**7. Other: as noted at the time of estimate to mainly include inaccessible areas by feasible means .**

Signed \_\_\_\_\_.

**Agreement:**

I \_\_\_\_\_ on this date \_\_\_\_\_ do hereby accept and acknowledge the purchase of a service or services from the company Wayne R. Butler Enterprises and/or it's affiliates; to perform the tasks as detailed and described in this estimate and bid form and for the cost as stated in #2 Total estimate and Total cost; to also include the discretion of Wayne R.
